SmallStitchesEmbroideryProducerCo.Ltd.

Embroidery

SmallStitches Embroidery producer company Limited was established under the aegis of the Office of development commissioner handicraft (Ministry of textiles Government of India) in May 2023. Gorakhpur, has been celebrated for its magnificent historical heritage and handicraft works. Regarded as one of the multicultural cities of Uttar Pradesh, Gorakhpur emerged as a culture that integrates emotional warmth, courtesy, love for gracious living, and a degree of sophistication. The history of the city has always been a profound promoter of fine arts and crafts, be it Terracota, Zari Zardoji, or Embroidery work. He took a keen interest in this form of creation and encouraged his nation to acquire this rare degree of perfection. This led to a major development in craftsmanship in Gorakhpur arts. Gorakhpur is famous for its skillful embroidery. It is an art form that involves complex and artistic hand embroidery. Along with Terracota craft, Embroidery work is one of the most popular and proud creations of Gorakhpur. Believed to be introduced by the Empress Nur Jahan, wife of Mughal Emperor Jahangir, this traditional embroidery style involves 36 types of stitches, including Tappa, Jali, Pashni, Tepchi, Dhum, and Khatao. The work is done with fabrics such as chiffon, silk, muslin, organdie, and organza, which result in comfortable and regal-looking clothing. Hand Embroidery is the art of decorative stitching on fabric with needle and thread. There are many types

of floss, yarn and fibers to stitch with, as well as a plethora of stitches to use. Hand Embroidery adds a decorative element to quilts, garments and accessories. Hand embroidery has been used by quilters on all types of quilts from crazy quilts, applique quilts and pieced quilts, traditional as well as modern or contemporary quilts. Embroidery may include ribbons, beads and buttons. There are many resources for hand embroidery stitches. Hand embroidery can be decorative as well as practical. Small Stitches Embroidery producer company Limited has identified this cluster as defined as a geographic concentration (a city/town/few adjacent villages and their adjoining areas) of units producing near similar products and facing common opportunities and threats. An artisan cluster is defined as geographically concentrated (mostly in villages/townships) household units producing handicraft/handloom products. In a typical cluster, such producers often belong to a traditional community, producing the long-established products for generations. Indeed, many artisan clusters are centuries old. Artisan. These artisans were working in scattered manner and most of them are getting order on third party basis were they are unable to get right price of their products. Small Stitches Embroidery producer company Limited is an initiative of O/o development commissioner handicraft GOI, New Delhi under Make in India campaign of
